Outstanding value for money

- **Affordable printing.** The DocuPrint P255 dw ranks among the most cost effective printers on the market today, delivering capabilities such as wireless workgroup sharing without the added infrastructure cost.
- **Low cost of ownership.** The fixed drum of the DocuPrint P255 dw means there's only one consumable to replace, and that keeps your cost of ownership down.
- **Lower operating temperatures, lower power bills.** The printer uses Fuji Xerox EA-ECO toner which works with a fusing temperature 20°C lower than conventional toners. That means great energy-saving performance and up to 40% reduction in power consumption during printing.
- **Double sided, half the paper.** The built-in duplex function can cut your paper costs in half by simply opting to print on both sides of the page.

The perfect addition to your office

- **Compact, quiet lightweight design.** Ideal for small offices, the DocuPrint P255 dw fits neatly on a desktop without encroaching on space or productivity.
- **Superb print quality.** Award-winning S-LED technology enables crisp and accurate 1200 x 1200 dpi printing, ensuring professional, impressive results.
- **Wireless networking.** The built-in 10Base-T/100Base-TX networking and wireless function enables work groups to seamlessly connect and give everyone access to outstanding print quality.
- **Monitor and configure job status.** The Centreware Internet Services (CWIS) allows for easy configuration of the printer and access to job status at your fingertips.

Easy on the environment

- **Energy Star® qualified.** The DocuPrint P255 dw carries the International Energy Star Qualification for energy efficient products which means they won't make a big impact on your power bill.
- **Green Technology.** EA-ECO toner uses 25% less energy to manufacture and less waste is produced than conventional toner.
